

Yacht Hull Claim Form /0916

Instructions in case of an insured event

1. Please describe the course of events leading up to the occurrence of the damage and attach preliminary repair estimates and photos of the damage. Where damage is caused by collision, we additionally require a detailed sketch of the course of events.
2. Please note that you may not assign your claims against the insurers to third parties without the insurers' prior consent. For larger claims, you may request part payments from us.
3. Theft, break-in, and malicious acts shall be claimed to the police with a complete list of the stolen goods, including each individual distinguishing mark and serial number; must be handed over to the police. Please forward a copy of the police report to us.
4. Please note that you may only make the necessary arrangements for repair once you have given the insurer sufficient opportunity to inspect the damages.
5. Additional instructions may moreover be given in the actual individual case.

Description of the course of events leading up to the occurrence of the damage, either here please or on a separate sheet. Attach an accident sketch and photos of the damage. If the accident happened during regatta please attach decision from the regatta jury, if the jury has settled a protest. If the policyholder did not himself pilot the craft at the time of the occurrence of the damage, this description must be given by the pilot responsible for the craft.

Please note that whenever an insured event occurs, you must provide complete and true information. The insurers would point to the fact that in case of a breach of the existing obligation to provide information or explanations, there is a risk that they would be released from the obligation to provide benefits. Where a third party is entitled to the benefits payable under the contract rather than you, the said third party is equally obliged to provide information and explanations.
